

This image is a vertical, high-contrast, black and white scan. It depicts a textured surface, likely a book cover or a piece of aged paper. A prominent vertical crease or fold line runs down the center of the image. The left side of the image is lighter and shows more detail of the texture, while the right side is predominantly black and dark, with some lighter, grainy areas visible. The overall appearance is that of a heavily degraded or high-contrast scan of a physical object.
